

# **FISCAL NOTE**

## **HB 2310 - SB 2292**

March 21, 2005

**SUMMARY OF BILL:** Removes the requirement that a sheriff must be free of all apparent mental disorders.

### **ESTIMATED FISCAL IMPACT:**

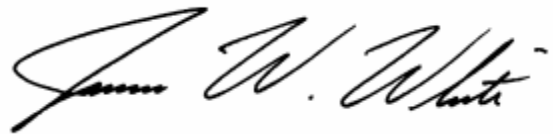

#### **Decrease Local Govt. Expenditures – Not Significant**

Assumption:

- Currently, an applicant must be certified by a qualified professional in the psychiatric or psychological field as being free of such disorders. This estimate assumes that the cost for such certification is currently allocated to the applicant. There may be cases where a sheriff in office has to be certified. When this occurs, there will be a decrease in local government expenditures. This decrease is estimated to be not significant.
